WLDD Assignment FAQs

General Guidelines

Q1. What's the purpose of this assignment?

It's our way of seeing how you approach real-world challenges — the kind we work on at WLDD every day. We're looking at your thinking, your creativity, how you communicate, and how you make things relevant to the role. There are no trick questions here, just a genuine look at how your mind works.

Q2. How much time should I spend on it?

We've designed assignments to take about 6–8 focused hours.

Q3. How much time do I have to submit?

The deadline is mentioned in your assessment document. If you need a little more time, just drop us an email at hiring@wldd.in before the deadline and we'll sort it out.

Q4. How do I submit my assignment?

Use the Assessment Submission Form linked in your email. A couple of things to keep in mind:

- Set your Drive link to "Anyone with the link can view" before submitting.
- Keep it to 5 files maximum.

If you have more than 5 files, no worries, just email your submission directly to hiring@wldd.in instead.

Format & Expectations

Q5. Is there a preferred format?

Yes, here's what works best for each type:

- Written assignments → PDF or Google Doc
- Design assignments → Figma or Drive link (view access enabled)
- Video assignments → Unlisted YouTube link or Drive link
- Presentations → PPT or PDF

Q6. Should I use WLDD's logo or branding?

Not at all. Just focus on clarity, structure, and your own thinking.

Q7. Do I need to use real data?

Use publicly available data wherever you can. If you're making assumptions, just call them out clearly; that's totally fine.

Q8. What if I'm unsure about the scope of a question?

Make reasonable assumptions, state them clearly, and move forward. We'd rather see you tackle the problem with a clear head than get stuck waiting for the "right" answer.

Timeline & Follow-up

Q9. What if I need more time?

Let us know before the deadline. We can usually offer a 3-day extension if there's a genuine reason, just reach out and we'll work something out.

Q10. When will I hear back after submitting?

We aim to get back to you within 7–8 working days. Sometimes we receive a large volume of submissions, and reviews can take a little longer. If that happens, we'll send you an update so you're not left wondering.

Evaluation & Feedback

Q11. How is my assignment evaluated?

A panel reviews every submission using a structured scoring framework. They look at:

- Creativity
- Problem-solving
- Communication and clarity
- Relevance to the role

Q12. Does a shortlisted assignment guarantee an interview?

If your assignment is shortlisted, you'll move to the next round. If it isn't, we'll still share constructive feedback to help you understand where things stood.

Q13. How many interview rounds should I expect?

Typically two rounds. For senior roles, or when we just want to dig a little deeper, it can go up to three.

Candidate Support

Q14. Can I ask questions while working on the assignment?

Absolutely. Send your queries to hiring@wldd.in and we'll get back to you within 24 hours.

Q15. Can I collaborate with someone else?

No, this needs to be your own individual work. That's the only way it's a fair reflection of you.

Q16. What if I run into technical issues while submitting?

Reach out to hiring@wldd.in or your recruiter directly, right away. We'll make sure it doesn't count against you.

Culture & Fairness

Q17. Is this a pass/fail test?

Not at all. We're not looking for a "correct" answer — we're looking at how you think, how you structure your ideas, and how you communicate. Clarity and creativity matter more than perfection.

Q18. What if I have accessibility needs or specific constraints?

Please let HR know. We'll adjust timelines or formats to make sure the process is fair for everyone.

Q19. Will WLDD use my work?

No. Assignments are strictly for evaluation purposes and will never be used in any WLDD project or campaign.
